### **TLDA Approves SRF Policy and Guidance for Borrowers**

The Tennessee Local Development Authority (TLDA) approved its State Revolving Fund (SRF) Policy and Guidance for Borrowers at its September 21, 2016, public meeting. The policy and guidance resulted from an effort to consolidate existing policy and guidance into a user-friendly document, ensure clarity and transparency, and enhance communication with program borrowers. A public comment period was held prior to this meeting.

The policy and guidance is available online at: <http://www.comptroller.tn.gov/TLDA/TLDAPolicies.asp>. If you have questions, please contact Sandi Thompson, TLDA Assistant Secretary, at 615-747-5380.

The SRF program provides cities, counties, utility districts, and water/wastewater authorities with low cost loans in order to fund water and wastewater projects. More information on the SRF program can be found here: <http://tn.gov/environment/topic/wr-srf-state-revolving-fund-program>.
